

# WHAT OUR CLIENTS SAY

## Fulham Prep

**School** provides continuous education for 550 children between the ages of 4 and 13 and employs nearly 100 staff. Without a department to deal with HR and health and safety, the school sent a representative to a free Ellis Whittam seminar to learn about forthcoming changes to employment legislation.

Carole Ellis, Bursar, comments: "We realised we had a gap in our knowledge and sought to fill it in a cost effective manner. The service provided by EW is invaluable to us as they handle the day to day employment law and health and safety issues, allowing us to concentrate on our primary task of nurturing and developing the children within our school."

By outsourcing to Ellis Whittam, the management at the school gained access to professional advice 24/7. With their own dedicated legal expert at Ellis Whittam, backed up with bespoke resources online, the advice is offered in total confidence and in an easy to follow manner.

Carole continues: "We particularly enjoy the relationship that has developed with our

*"If I have a query, I don't think twice about picking up the phone. It is so reassuring to have access to professionals around the clock and to receive advice that is always delivered in a language which is easy to follow and understand."*

personal adviser as she understands our operation entirely and is always on hand when we need guidance. If I have a query, I don't think twice about picking up the phone. It is so reassuring to have access to professionals around the clock and to receive advice that is always delivered in a language which is easy to follow and understand."

The fixed fee contract helps the school budget effectively and legal expenses insurance means that

any potential costs arising from an employment tribunal are paid for by the insurer at no extra cost to the client.

Although the school's management has access to extensive online information and bespoke documentation Carole admits: "I find it easier just to pick up the phone!"
